Institute 380 was comprised of two branches, the Lesnoy Research and the Fontanka Branch. The Lesnoy Branch was located on Lesnoy Prospect, it was between 11 and 19. The Fontanka Branch was located on 6 Fontanka Street.

3.

The designation "NII 380" stands for the Russian word which means "Scientific Research Institute 380". The institute was referred to in this way in conversation; on documents the words "All Union" preceded the title.

it was a general policy that the title of any Soviet Institute must not reflect its function.
